Commissioner for Patents

In view of the papers filed on October 18, 2004, it has been found that this application, as filed, through error and without any deceptive intent, improperly set forth the inventorship, and accordingly this application has been corrected in compliance with 37 CFR 1.48. The inventorship of this application has been changed by the addition of Billy R. Scott and Dallas N. Little as also inventors of the instant application. This of course is in addition to the original inventor who is still an inventor, J. Blake Scott.

Inquiries regarding this communication can be directed to Paul Marcantoni at 571-272-1373 or if unavailable to his SPE Jerry Lorengo at 571-272-1233.
